She's a brick house
Mighty might just lettin' it all hang out
She's a brick house
The lady's stacked and that's a fact
Ain't holding nothing back

She's a brick house
She's the one, the only one
Who's built like an Amazon
We're together everybody knows
And here's how the story goes

She knows she got everything
A woman needs to get a man, yeah
How can she lose with what she use
36-24-36, what a winning hand

She's a brick house
Mighty might, just lettin' it all hang out
She's a brick house
The lady's stacked and that's a fact
Ain't holding nothing back

The clothes she wears, the sexy ways
Make an old man wish for younger days
She knows she's built and knows how to please
Sure enough to knock a man to his knees

She's a brick house
Mighty might, just lettin' it all hang out
She's a brick house
The lady's stacked and that's a fact
Ain't holding nothing back

Shake it down, shake it down now
Shake it down, shake it down now
