Lady, morning's just a moment away  
And I am without you once again  
You laughed at me  
You said you never needed me  
I wonder if you need me now

We played the games that people play  
We've made mistakes along, along the way  
Somehow I know deep in my heart  
You need, needed me

Remembering the pain if I must say  
Oh, deep in my mind and not away  
But oh, but then most of all  
I do love you, I do it  
I love you so much, so very much  
I love you still

We played the games that people play  
We've made mistakes along, along the way  
Somehow I know deep in my heart  
You need, needed me

Like I needed you so desperately  
We were too blind to see  
But then most of all  
I do love you, I do love you  
I love you so much, so very much  
I love, I love all of you still
