I've been so many places in my life and time
I've sung a lot of songs I've made some bad rhymes
I've acted out my life on stages
With ten thousand people watching
We're alone now and I'm singing this song to you

I know your image of me is what I hope to be, yeah
I've treated you unkindly but darlin' can't you see
There's no one more important to me
Baby can't you see through me
Cause we're alone now and I'm singing this song to you

You taught me precious secrets of a true love
withholding nothing
You came out in front and I was hiding
But now I'm so much better and if my words don't come
together
Listen to the melody cause my love is in there hiding

I love you in a place where there's no space or time
I love you for my life and you're a friend of mine
And when my life is over
Remember when we were together
We were alone and I was singing this song for you
Oh, we were alone and I was singing this song to you

I love you in a place when there's no space or time
I love you for my life you are a friend of mine
And when my life is over
Remember when we were together
And we were alone and I was singing this song to you
And we were alone and I was singing this song for you
