Come Along for the Ride by Matt Goss

Woh--woh--woh--

I'm sun kissed and I'm lying in Jamaica on soft white sand

I just wish you were sharing this third Margarita in my hand

Woh--woh---woh--oh yeah

It's always sexy when I hear you moan

I can't keep doing this on the phone

Let's do it and do it for real

I don't think I can wait another day

Pack your little suitcase and get on a plane

Come Along For The Ride

And I don't think that you should think that I could wait

I'm throwing down the towel where you're gonna lay

Come Along For The Ride

Sunsets are the makers of memories that I know

So the same time tomorrow when we're kissing

Let's make some memories of our own

Woh--woh---woh-- oh yeah

It's always sexy when I hear you moan

We can't keep doing this on the phone

Let's do this, do it for real

I don't think I can wait another day

Pack your little suitcase and get on a plane

Come Along For The Ride

And I don't think that you should think that I could wait

And I'm throwing down the towel where you're gonna lay

So Come Along For The Ride

Don't Like (Don't Like)

To Lie (To Lie)

In hope (In hope)

Don't like to lie in hope

I like to stand and know for sure

I don't think I can wait another day  
Pack your little suitcase and get on a plane  
Come Along For the Ride  
And I don't think that you should think that I could wait  
And I'm throwing down the towel where you're gonna  
lay  
So Come Along For The Ride

Repeat 2 times
