Tell me that you hate me  
Tell me that I'm never gonna see your pretty face  
again  
And tell me that you faked it  
Tell me that you changed the locks on the door  
And even if I wanna come home I can't get in  
And tell me you had a great night  
I'm touring on my own, you're checking out the  
guys  
With the girls on a Friday Night, double standards  
that's why

### CHORUS

I don't wanna be your angel (oh)  
Hell is way too hot for you, baby  
And it ain't got room for me  
Don't wanna be your angel (angel angel)  
Hell is way too hot for you, baby  
It ain't got room for me (no-oh-oh)  
Ain't got room for me

So tell me that you hate me  
Tell me I'm a mother  
Tell me there's no other one person better for me  
in my life  
And tell me that I'm crazy  
To think your jealousy, anger and hate  
Can eventually break a man deep inside  
And tell me your listening to a strangers lies,  
you've changed our lives  
And not even once did you come talk to me  
Why

### CHORUS

I don't wanna be your angel  
Hell is way too hot for you, baby  
It ain't got room for me  
Don't wanna be your angel (angel angel)  
Hell is way too hot for you, baby  
It ain't got room for me (no-oh-oh)

Ainâ€™ t got room for me (No)  
Ainâ€™ t got room for me (oh baby)

I donâ€™ t wanna be your angel  
Hell is way too hot for you, baby  
And it ainâ€™ t got room for me, no

I donâ€™ t wanna be  
I donâ€™ t wanna be  
I donâ€™ t wanna be your angel (oh)  
Donâ€™ t wanna be your angel (oh)  
Hell is way too hot for you  
But it ainâ€™ t got room for me (oh no)

Why do you listen to their lies (repeat)

Donâ€™ t wanna be your angel  
Donâ€™ t wanna be your angel (mmmm)

Why Why did you listen to their lies (repeat)
