I am a gentle man,
I need romance.
Love is a word I understand
Life is a slow dance.
Darkness lays upon my heart like a shallow grave,
As I pray, my solitude will fade away.

I'm hurting inside, something is wrong,
I've been chasing demons for way too long.
I don't dream at night, the colours are gone,
My heart feels like it's frozen,
Feel my fever.

(As I lie awake I sleep inside, I sleep inside,
As I lie awake I sleep inside, I sleep inside,
As I lie awake I sleep inside, I sleep inside)
Fever, fever, as I lie awake, I sleep inside.
(Sleep inside, sleep inside, sleep inside.)

I taste the rain upon my tongue,
Silence befriend me. (Hush now.)
In my life I've love only one, painful it can be.
Tears caress, cool my face, let my soul undress,
Reveal my pain,
My saving grace is that I'm not ashamed

Hurting inside, something is wrong,
I've been chasing demons for way too long.
I don't dream at night, the colours are gone,
My heart feels like it's frozen,
Feel my fever.

(As I lie awake I sleep inside, I sleep inside,
As I lie awake I sleep inside, I sleep inside,
As I lie awake I sleep inside, I sleep inside)
Fever, fever, as I lie awake, I sleep inside.

Some one help me, (Yadada ahoh)
Dropping like a stone (Fever, oh oh, oh oh)
Some one help me, (Yadada ahoh)
Dropping like a stone (Fever, oh oh, oh oh)

Hurting inside, Something is wrong,

I've been chasing demons for way too long
I don't dream at night, the colours are gone,
My heart feels like it's frozen, feel my fever,
(As I lie awake I sleep inside, I sleep inside,
As I lie awake I sleep inside, I sleep inside,
As I lie awake I sleep inside, I sleep inside)
Someone help me,
Dropping like a stone,
As I lie awake, I sleep inside.
