# "Perfect Girl"

She's a perfect girl,
She couldn't harm a fly,
She's as innocent as snow
I don't think so.

She always gets what she needs,
But she don't need nothing,
She's been blessed with the perfect ego.

(She said)
If I hate you, will you hold me?
(She said)
I didn't mean to hurt you.
(She said)
You're the only one that knows me
Baby, I'm not the only one who's sick of hearing sorry,
That's why

You won't see me leaving, (Oh No)
When you get home I won't be here.
As you hold that note you're reading
Just know that I'll be many miles away from here.
So many miles from here.
Is it bad that I feel good when you're not here?

She's a perfect girl,
She never thinks about herself,
She can never harm a soul,
I don't think so.

She only wants you if you leave,
That ain't love, it's only greed.
So I think I'm gonna fly
And I'm flying solo.

(I say)
You're incapable of feeling,
(I say)
Your philosophy, I hate it.
(I say)
The only thing you live by,

The only thing you live by is that love is over-rated.

That's why you won't see me leaving, (Oh No)
When you get home I won't be here.
As you hold that note you're reading,
Just know that I'm many miles from here,
So many miles from here,
Is it bad that I feel good when you're not here?

Come on!

That's why you won't see me leaving, (Oh No)
When you get home I won't be here.
As you hold that note you're reading,
Just know that I'm many miles from here,
Ooh
So many miles from here,
Oh yeah, yeah yeah
Is it bad that I feel good when you're not here?
O-ooo-oh..
Is it bad that I feel good when you're not here?
Is it bad that I feel good when you're not here?
And ask me, aaah,
No, I don't think so,
You were my best friend.
You were meant to be everything,
Everything to me
But I lost my soul...
