On the beat with cherry blossom streets
Donâ€™t know where to go but Iâ€™m going
somewhere
Iâ€™m feeling high, itâ€™s getting hard to hide
Inhibitions, trying to not to care
I canâ€™t live in fear
Itâ€™s left right for the end
Now youâ€™re not here
I guess Iâ€™m moving on (yeah)
I can breathe again (yeah)

CHORUS

Its feeling good to forget all the loving words you said
I canâ€™t remember how you smiled or the places that
we went
You always said it would never end
Todayâ€™s the day I start again
It feels so good (yeah)
It feels so good
To forget the day we met
Feel the ground all these city sounds
so fill my heart right back at ya
so get out of bed it will help you mend
that broken heart and bones you fractured
I found what I wanted when I wasnâ€™t looking
I almost lost it, nearly a man forgotten
I can breathe again (Yeah Yeah)

CHORUS

Its feeling good to forget all the loving words you said
I canâ€™t remember how you smiled or the places that
we went
You always said it would never end
Todayâ€™s the day I start again
It feels so good (it feels good) (oh oh)
Itâ€™s feeling good to forget
All the loving words you said
I canâ€™t remember how you smiled or the places that
we went
(oh memories)

You always said it would never end
Today's the day I start again (start again)
It feels so good (feels so good yeah)
It's taken so long, but finally I'm feeling a little
bit better (oh)
(ah-ah-ah, -oh oh-oh-oh-oh...)
(ah-ah-ah, -oh oh-oh-oh-oh...)
I won't surrender, no I won't surrender, no I
won't surrender to my baby
(ah-ah-ah, -oh oh-oh-oh-oh...) (FADE to end)
