Ooh ooh oooooh
Ooh ooh oooooh

Stay. Don't go
I wanna hear you telling me what
I don't know
Your silence is a mystery that
Makes me feel so
Scared we'll never make it
If we run away this time

Chorus:

I wish that we could lay right here and
Never think about our fears
Forever, forever, forever
Forget about tomorrow's light
I only wanna hold tonight
Forever, forever, forever

What's done is done
What happens if we turn the page to
Where we've won
Darlin', can we just pretend that
Every second
Is passing like a hundred years
That I can be with you

Chorus:

I wish that we could lay right here and
Never think about our fears
Forever, forever, forever
Forget about tomorrow's light
I only wanna hold tonight
Forever, forever, forever

Ooh ooh oooooh
Ooh ooh oooooh

What if time could stand still

Chorus (x2):

I wish that we could lay right here and
Never think about our fears
Forever, forever, forever
Forget about tomorrow's light
I only wanna hold tonight
Forever, forever, forever
