Now baby ain't it crazy how we spent that summer
Runnin' from your daddy, hidin' from your mother
They were doin' their best to keep us apart
You were wearin' my ring, I was stealin' your heart
Raised on different sides of the track
We crossed that line and never looked back

Chorus:

I was rock n roll and breaking rules
U were amazing grace in sunday school
I was biker boots and a leather vest
U were innocence in a cotton dress
It's a heaven on earth meets a hell of a world
When bad boy meets good girl

Sneakin' outta windows, midnight rondeveau
Stealing sweet kisses 'neath a alabama boom
Wrapped up in each other,
Lying by the riverside
Divin in deep, comin' up with alibies
Fannin' that flame was a heap of a blast
Yeah we lit a fire with a perfect match

Chorus

I was rock n roll and breaking rules
U were amazing grace in sunday school
I was biker boots and a leather vest
U were innocence in a cotton dress
It's a heaven on earth meets a hell of a world
When bad boy meets good girl

We tied the knot at the baptist church
For the first dance the band played free bird
Your daddy smiled, your momma cried
When we rode dragging cans from the back of my bike

Chorus

I was rock n roll and breaking rules
U were amazing grace in sunday school
I was biker boots and a leather vest
U were innocence in a cotton dress

It's a heaven on earth meets a hell of a world
When bad boy meets...
It's a heaven on earth meets a hell of a world
When bad boy meets good girl!
