Baby, why you sittin' here all alone
In the bathroom cryin', oh, girl, what's wrong
You know you can tell me anything
Are you gettin' nervous 'bout wearin' that new ring

Well, if that ain't it
Is this about your dress
I thought we'd been over this

Baby, you can still wear white
No matter where you've been
No lookin' back, we're startin' all over again
I want you by my side
I gotta be your man
You're perfect in my eyes
You can still wear white

You and your bright-eyed baby girl
Mean more than anything, oh, you're my whole world
I can almost see her smilin' now
Little basket in her hand droppin' petals down

Yeah, and if people talk
Well, we'll just let 'em talk
Do what you want
This is only gonna happen once

Baby, you can still wear white
No matter where you've been
No lookin' back, we're startin' all over again
I want you by my side
I gotta be your man
You're perfect in my eyes
You can still wear white

Baby, you can still wear white
No matter where you've been
No lookin' back, we're startin' all over again
I want you by my side

I gotta be your man
You're perfect in my eyes
You can still wear white

Whoa, baby
You can still wear white
