(Verse)

You are not alone if you are lonely
When you're feeling afraid you're not the only
We are all the same in need of mercy
To be forgiven and be free
It's all you got to lean on
But thank God it's all you need

(Chorus)

And all the people said Amen
And all the people said Amen
Give thanks to the Lord for his love never ends
And all the people said Amen

(Verse)

If you're rich or poor well it don't matter
We grow strong and our love is what we're after
We're all broken but we're all in this together
God knows it's summer and fall
And he so loved the world he sent his son to save us all

(Chorus)

And all the people said Amen
And all the people said Amen
Give thanks to the Lord for his love never ends
And all the people said Amen

(Bridge)

Blessed all
The poor spirits who are torn apart
Blessed all
The prosecuted and the pure in heart
Blessed all
The people lonely for another start
For this is a kingdom
The kingdom of God

(Chorus)

And all the people said Amen
And all the people said Amen
Give thanks to the Lord for his love never ends

And all the people said Amen
