The dawn breaks upon us with tender compassion
To shine in the darkness and we become Your
righteousness.
Your promise of mercy, how made true on Calvary.
Our ransom has been paid and now we prepare the
way.

Declare victory!
You set us free!

For from You and through You and for You are all
things
To You be all glory, all honour, all blessing
For from You and through You and for You are all
things
To You be all glory, all honour, all blessing

From all sins and evil, from the snares of the devil
From your wrath, from our death, from a doubtful heart
that chokes on human breath.

Declare victory!
You set us free!

For from You and through You and for You are all
things
To You be all glory, all honour, all blessing
For from You and through You and for You are all
things
To You be all glory, all honour, all blessing

Hallelujah
