For once in my life I have someone who needs me
Someone I've needed so long
For once unafraid I can go where life leads me
And somehow I know I'll be strong
For once I can touch what my heart used to dream of
long
Before I knew
Someone warm like you would make all my dream
come true.

For once in my life I won't let sorrow hurt me
Not like it hurt me before
For once I have something I know won't desert me
And I'm not alone anymore
For once I can say this is mine, you can't take it
Long as I know I have love I can make it
For once in my life I have someone who needs me.

For once I can say this is mine, you can't take it,
Long as I know I have love, I can make it
For once in my life I have someone who needs me.
