I still want you.
Yes, I need you
To have and to hold you
After all of these years.
I will listen to your problems.
Won't try to fix them,
Just wipe away your tears.
And if you need me in the middle of the night, my
dear,
I'll stay awake till morning light
And chase away your fears.
So come closer,
Right here, forever.
Deep in my heartbeat,
Together as one.
My only love.
Cause if you need me in the middle of the night, my
dear,
I'll stay awake till morning light
And chase away your fears.
So come closer,
Right here forever.
Deep in my heartbeat,
Together as one.
My only love,
My only love,
My only love.
