For all the thirsty in need of the river
For all the sleeping hearts waking from their slumber
For everyone still standing at the shoreline, come!
For all the hurting soul running from their Healer
For all the skeptics running from an answer
Let everyone who hears these words, say come!

CHORUS

For the Spirit and the Bride, say come!
Yeah! The Spirit and the Bride, say come!

For all the Pharisees, empty on the inside
For all the lovers who spent their love in a lie
For the forgotten, the Father's heart, say come!
For all the fatherless looking for approval
For all the daughters who've never heard the are
beautiful
Let everyone who hears these words, say come!

CHORUS

Amen, Amen, come Lord Jesus, come again!
Until then, until then grace and peace be ours, Amen!
(x2)
Till You come again peace be ours, Amen! (x2)
CHORUS (x2)
