Your love is extravagant
Your friendship, so intimate
I find I'm moving to the rhythms of Your grace
Your fragrance is intoxicating in the secret place
Your love is extravagant

Your love is extravagant
Your friendship, so intimate
I find I'm moving to the rhythms of Your grace
Your fragrance is intoxicating in the secret place
Your love is extravagant

Spread wide in the arms of Christ is a love that covers
Sin
No greater love have I ever known; You considered me
a
Friend
Capture my heart again, capture my heart again

I find I'm moving to the rhythms of Your grace
Your fragrance is intoxicating in the secret place

Your love is extravagant

Spread wide in the arms of Christ is a love that covers
Sin
No greater love have I ever known; You considered me
a
Friend
Capture my heart again, capture my heart again

Oh stir up my heart Oh God
Light the fires within
That my heart may burn for You and You alone
Be Lord of my life
You're my Lover, my Shelter, my Father
The only Peace I'll ever find is in You
The only Joy I'll ever find is in Your arms
Sweet Jesus

I may live with You

Help me die with You
Let me rise with You
