running away from the masterplan
midnight creatures and all night preachers
highway ghost, fried eggs n' toast
movin' as fast as a mad mans mind.

roll on midnight girl
see the star shine in your chrome
roll on midnight girl
take me with ya when you go

some may say shes gone to stay...commando 850's
alright
but shes never really been away
i just love the way she looks at night
movin' as fast as a mad mans mind

roll on midnight girl
see the star shine in your chrome
roll on midnight girl
just take me with you when u go
