This land is mine; G-d gave this land to me  
This brave and ancient land to me  
And when the morning sun reveals her hills and plain  
Then I see a land where children can run free

So take my hand and walk this land with me  
And walk this golden land with me  
Though I am just a man, when you are by my side

With the help of G-d, I know I can be strong

Though I am just a man, when you are by my side  
With the help of G-d, I know I can be strong

To make this land our home  
If I must fight, I'll fight to make this land our own  
Until I die, this land is mine.
