Are you lost in the sounds  
Of a heart beating time  
And the worlds gone wrong  
Don't lose your love

And the cold cracks your eyes  
And the winds telling lies  
Well you can bat your frozen lashes  
But your eyes will shatter to the ground

Chorus  
Summers gone  
It ain't coming back  
So say goodbye to your life again babe  
Time changed, northern belle

Tell your rich daddy to get off my back  
And tell em i'll be gone when the cold attacks  
I got fear of rejection from the frozen heart  
For i loved you from the start  
And things have ch-changed  
Change you can try  
But you failed  
Just like the summer times betraying  
Well you can bat your frozen lashes  
But your eyes will shatter to the ground

chorus

guitar solo

Summers gone it aint coming back  
So say goodbye to your life again babe  
Cause the change in the weather look like belle

chorus

Goodbye baby  
Come on, come on  
x4
