Oh darlin' I feel your pain
And the summer rain in your eyes
I'm desperately trying to get the blue

Back into your sky
And darlin' I've been dreamin' of you
Have you been praying for me?
As I cast my mind & soul
To the sea
I've got a plan
That will get us through
I've got a plan
I spend my days counting counterfeit
That will slip on through
For me it's all about you
I've got a plan
That will get us through
I've got a plan
Oh darlin' I feel your pain
And the summer rain in your eyes
I'm desperately trying to get the blue
Back into your sky
I've got a plan
That will get us through
I've got a plan
Oh darlin' I feel your pain
