Shining eyes,
When will they shine on me?
When will they see what I want you to see?
Shining eyes that bleed

Shining eyes
Don't just stun they paralyze
In the golden hour when the wind dies
And day turns into night

Shining eyes
The kind that even shine in the dark
I can't seem to leave a mark on you
You cut me deep

Shining eyes
When will they shine on me?
When will they see what I want you to see?
Shine them eyes at me

Will it be?
We won't need any tickets
We can ride for free
In the pearl hour when the birds are beginnin'
The early morning singin

I want you
Why won't you want me back?
My hearts been under attack
Ever since I saw them

Guitar solo

Shining eyes
When will they shine on me?
When will they see what I want you to see?
Shine them eyes at me

Shining eyes
When will they shine on me?
(x5)

When will they shine on me? (x5)
