Well I don't know you but I feel you
You feel it too
Coming at you through the tall grass

My lies come through
Cause then I'm frozen instead of you, and
Watch me laugh, sad injury the first degree
Set yourself free

Take it on faith, my love
Baby just one time,
Picture life from my eyes
Take it on faith, my love
I know you

All my leaves they fall for you
You fall in too
Cause I'm sinkin' with the northern sun
I don't know you but I feel you
You feel it too
Sad
Set yourself free

Take it on faith, my love
Baby just one time,
Picture life from my eyes
Take it on faith, my love
I know you

I never knew her
Have a little faith
Give it now
You meant forever, die
Kill my mind, so have a lil' faith
Show a little love,
Give a little heart

Take it on faith, my love
Baby just one time,
Picture life from my eyes
Just one time

Picture life from my eyes
Yeah
Take it on faith, my love
Baby just one time,
Picture life from my eyes
Yeah
Take it on faith, my love
Take it on faith, my love
Take it on faith, my love
Take it on faith, my love
