For once in my life I have someone who needs me  
Someone I've needed so long  
For once unafraid I can go where life leads me  
And somehow I know I'll be strong  
For once I can touch what my heart used to dream of  
long  
Before I knew  
Someone warm like you would make all my dream  
come true.

For once in my life I won't let sorrow hurt me  
Not like it hurt me before  
For once I have something I know won't desert me  
And I'm not alone anymore  
For once I can say this is mine, you can't take it  
Long as I know I have love I can make it  
For once in my life I have someone who needs me.

For once I can say this is mine, you can't take it,  
Long as I know I have love, I can make it  
For once in my life I have someone who needs me.
