Strangers in the night  
Exchanging glances,  
Wond'ring in the night,  
What were the chances  
We'd be sharing love  
Before the night was through.  
Something in your eyes was so inviting,  
Something in your smile was so exciting,  
Something in my heart,  
Told me I must have you.

Strangers in the night,  
Two lonely people we were.  
Strangers in the night  
Up to the moment when we  
Said our first hello.  
Little did we know  
Love was just a glance away,  
A warm embracing dance away

And ever since that night  
we've been together.  
Lovers at first sight,  
In love forever  
It turned out so right,  
For strangers in the night.

And ever since that night  
we've been together.  
Lovers at first sight,  
In love forever  
It turned out so right,  
For strangers in the night.

For strangers in the night.
