She was a girl living in the city clinging to old religion
Praying for electricity to keep it warm for the little ones
Nobody made her wise to the things a girl might find
In a belly of a hungry man who don't care
nothing about his bloodline
She got lost in the bloodline
Heavy cost of a bloodline
She goes on she cries at night and keeps alive his
bloodline
So much riding on a bloodline
Why is he hiding from the bloodline?
It aint right she cries at night and keeps alive his
bloodline

She heard heaven is invite only reserved for Christian
soldiers
Not un-wed girls living in the city asking for change
from strangers
But father said Jesus loves her even though she never
married
God loves her more than the Christians do,
she's part of his holy bloodline
She got saved in the bloodline
The price he paid for the bloodline
Changed her life she cries at night and keeps alive his
bloodline

She believes in his bloodline
Lives and breathes by the bloodline
With all her might she cries at night and keeps alive his
bloodline

Ohhhhhhhhh oooooooooooooo
I know I should have never left her to shoulder all the
burden
She probably won't forgive me god might
not either
I made a cross and lay it on her back
But I never broke her spirit and she owes that to her
bloodline
She stayed strong for the bloodline I did wrong by the
bloodline

But she went on she cried at night and kept alive the
bloodline
Sacrifice for the bloodline paid the price for the
bloodline
For all her life she cried at night and kept alive the
bloodline

Ohhhhhhhhhh she cried at night and kept alive her
bloodline oooooooooooooo
