Oh yeah yeah
from where you stand
there's no way to change you
no way to make it make sense
and it's lonely there
there in the spotlight
well, honey, don't i understand

you need someone to love you
need someone to hold you
tonight
you need someone to love you
need someone to tell you
that everything is alright
someone to love you
someone to love you
someone to love you

well, look at me
and try hard to hide it
try hard to keep it all in
but i found you out
discovered your secret
and, honey, it ain't a sin

you need someone to love you

need someone to hold you
tonight
you need someone to love you
need someone to tell you
that everything is alright
someone to love you
someone to love you
someone to love you
ohh

it doesn't have to be me
it doesn't have to be me
but you need someone to love you
need someone to hold you
tonight

oh yeah
i need someone to love you
i need someone to tell you
that everything is alright
someone to love you
someone to love you
someone to love you
oooo yeah
