

## Matt Morris "The Un-american"

Visit "[The Un-american](#)" on [MotoLyrics.com](http://MotoLyrics.com)

The un-American  
Needs a personal Jesus  
Private insurance  
An obedient wife  
The un-American  
Should really stop complaining  
He oughta take a trip to Disney  
Get his head on right  
Buy a new buy a new buy a new buy a new  
It's all right, it'll be alright  
Buy a new buy a new buy a new  
That should fix the un-American  
A threat to security  
Feeding on literature  
From a socialist state  
The un-American  
It really breaks my heart  
To see a promising citizen deviate  
Buy a new buy a new buy a new buy a new  
It's all right, it'll be alright  
Buy a new buy a new buy a new buy a new buy a new  
buy a new buy  
That should fix the un-American

Oh  
Oh  
Oh  
Oh oh  
The un-American  
Could be your own neighbor  
He could be talking to your children  
Sleeping with your wife  
Oh what if you're the un-American  
Oh what if you're the un-American  
Oh what if you're the un-American  
Oh if you're the un-American  
Oh  
Buy a new buy a new buy a new buy a new  
It's all right, it'll be alright  
Buy a new buy a new  
And it's all right, it'll be alright  
Be alright
