Given all I know about livin',
having been through the run through
a couple times.
There's only one sweet thing I want,
only one sweet thing in this nasty world
that's good enough for me...

And that's you, you, you, you, you...
You do it for me.
You, you, you, you, you
Do it for me

Something-
You can't deny this is something,
It's kinda feeling like lovin',
if you're asking me.
And baby lovin' ain't that bad...
So long as it's free.

Baby you, you, you, you, you...
You do it for me.
You, you, you, you, you...
Go'n do it for me
Do it for me.
You do it for me.

Hey baby-
You mind if I call you baby?
I was thinking that maybe...
Maybe you and me
could try a little...
can we try a little...
can we try a little... baby please?...
Come on...

You, you, you, you, you...
You do it for me.
You, you, you, you, you...
You do it for me.
You do it for me.
You do it for me.
