Would you fall to pieces
If I never came back?
Tear it all apart
Til there was nothing left
Fall to pieces
If I never came back?
Spent so long waiting here

So I wear you out
So who would've thought that you'd still be here now
And I swore dear
That I never
Wanted to be
Any better than your weakest moment now

Would you fall to pieces
If I never came back?
Tear it all apart
Til there was nothing left
Fall to pieces
If I never came back?
Spent so long waiting here

This was all sweet once
When I was fingertips and innocence
And too scared to
Let go I had my
Arms thread through
The pretty holes
Of your most romantic line

Would you fall to pieces
If I never came back?
Tear it all apart
Til there was nothing left

Fall to pieces
If I never came back?
Spent so long waiting here

And I've watched them all move through you
Watched them all let you down.

Would you fall to pieces
If I never came back?
Tear it all apart
Til there was nothing left to take
All to pieces and look your best
You know I'm always here

Would you fall to pieces
If I never came back?
Tear it all apart
Til there was nothing left
Fall to pieces
If I never came back?
Spent so long waiting here

Would you fall to pieces?
Never coming back
Would you fall to pieces?
Never coming back,
Never coming back again

It's do you
And don't you
Cause I won't forget you
You filled me with nothing
It felt so good
It'll all come out some day
