Hold me  
Save me from myself  
I claim to be so righteous but I'm just like everyone else  
I was judging you when I realized just how big a lie I  
lead  
Hold me  
I truly wish you could follow me in my walk through  
brilliance  
But I've grown so much hollower and the paths have all  
grown dense  
With vines of green, the color of envy  
With vines of green, the color of jealousy  
And it s funny but I hate it when you steal the spotlight  
from me  
Hold me

I've no patience for hypocrites, I have no patience for  
fakes  
I've no patience for those who make my same mistakes  
So hold me
