When you lead me and fit around my tongue  
It's so easy, to forget that I'm lost  
Spent all of my life waiting for answers  
To lift me, to numb me, to define it all

Sunshine  
I'm beginning to like this

'Cause all I want to be is the minute that you hold me in  
When you pretend that I'm all that you waited for  
Time slips to nothing and I'm better than I've ever been  
Yeah I'm suspended

With your breathing, filling up my lungs  
I can almost believe that I'm almost enough  
I spent all of my life emptied of anthems  
Bracing for something that never did come

Sunshine  
I'm beginning to like this

Sunshine  
I'm beginning to like it

'Cause all I want to be is the minute that you hold me in  
When you pretend that I'm all that you waited for  
And time slips to nothing and I'm better than I've ever  
been  
Yeah I'm suspended

It's not enough to stay surrounded  
It's not enough to stay awake, torn and braced,  
cornered  
And not feel alive

Sunshine  
I'm beginning to like this  
Sunshine  
I'm beginning to like it

'Cause all I want to be is the minute that you hold me in  
When you pretend that I'm all that you waited for

And time slips to nothing and I'm better than I've ever  
been  
Yeah I'm suspended  
Yeah I'm suspended  
I'm suspended
