Girl

Tell me what's happening now
I wanna make it work but
Tell me what's the use

You keep on listening
To what your friends keep saying
And you won't even let
Me give you an excuse

All of a sudden
Everything that I say
Don't mean nothing
I thought that my heart would be enough
Every relationship
Revolves around trust
And loving
But you make it hard to stay in love
Cause I feel like I'm guilty
Un... til
Pro... ven
Innocent
You...
Caught...
Me...
Red...
Han... ded

You make me feel like a criminal
Lock me up throw away the key
A criminal
Lock me up throw away the key
I feel like a criminal
Lock me up throw away the key

New look
Look
In the beginning
I tried to play it by the book
It didn't work
Didn't work
No matter how hard

That I tried to give you my side of the story
You still believe you girls...

All of a sudden
Everything that I say
Don't mean nothing
I thought that my heart would be enough
Every relationship
Revolves around trust
And loving
But you make it hard to stay in love
Cause I feel like I'm guilty
Un... til
Pro... ven
Innocent
You...
Caught...
Me...
Red...
Han... ded
Refrain

Cause I feel like I'm guilty
Un... til
Pro... ven
Innocent
You...
Caught...
Me...
Red...
Han... ded
Refrain
