Pictured my love in this frame for you baby  
It's like a bird that never learns to fly  
My shattered heart is in pieces for you baby  
I'm uncompleted I need you here by my side  
Baby I'm sorry sometimes I get so insecure  
Every second I'm thinking about you  
Over and over and over again, Yeah  
And now you know...

Without you I'm nothing, nothing  
I should I never ever let you go, ooh  
I'm nothing, nothing, Oo, O-oooh  
Coz I can't live without you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh

To get you back, It's a mountain to climb  
I can't win, I'm losing my mind  
Don't say I run out of time  
Please girl, don't say goodbye  
Believe I'm gonna lost my mind  
I'm going insane  
Standing here calling out your name  
Over and over and over again, Yeah  
Now I know...

Without you I'm nothing, nothing  
I should I never ever let you go, ooh  
I'm nothing, nothing, Oo, O-oooh  
Coz I can't live without you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh

you, Ooh  
you, Ooh

Without you I'm nothing, nothing  
I should I never ever let you go, ooh  
I'm nothing, nothing, Oo, O-oooh  
Coz I can't live without you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh  
you, Ooh
