[Ciara:]

This is where they stay crunk, throw it up, dubs on the
Cadillac

White tees, Nikes, gangstas don't know how to act
Adamsville, Bankhead, College Park, Carver Homes
Hummers floatin' on chrome
Chokin' on that home-grown
They got that southern cookin'
They got them fellas lookin'
Thinkin' I was easy, I can see it
That's when I say no, what for
Shawty can't handle this
Ciara got that fire like

Oh, round here we ridin' slow
We keep it gutta, you should know
Gettin' crunk off in the club, we gets low, oh
Oh (oh), all my ladies to the floor
Handle it ladies, back it up
Gettin' crunk up in the club, we gets low, oh

Buddy take a new whip, paint strip, head to bowlin' hall
Still smokin', hundred spokes, wood-grain on the wall

[Matt:]

(...)

Tu sais j'ai rien contre ça
On a rien qui nous rapproche
Je cherche encore ce qui nous raccroche

[Ciara:]

They got that southern cookin'

[Matt]

Je m'fou d'ce que dise tes copines

[Ciara:]

Wishin' I was easy, I can see it

[Matt:]

Tu veux que je m'en aille ?

[Ciara:]
No, what for
Shorty can't handle this
Ciara got that fire like

Oh, round here we ridin' slow
We keep it gutta, you should know
Gettin' crunk off in the club, we gets low, oh
Oh (oh), all my ladies to the floor
Handle it ladies back it up
Gettin' crunk up in the club, we gets low, oh

[Matt:]
Fais ton ... et viens voir Ã Paris
Je vais te montrer comment ca se passe ici
[...] Pokora leve les foules
Si les stars se la jouent VIP on fait sauter le carrÃ© VIP
Tout et ca comme beyoncÃ© joue les belles comme si
[...] veulent danser
Ne me touche pas mademoiselle, on se conait pas!
(hey ciara, do you speack french? ahah)
Baby girl ce soir on est chez moi
Tu m'as mis une disquette et j'ai perdu la tÃªte

[Ciara & Matt:]
Oh

[Ciara:]
Round here we ridin' slow
We keep it gutta, you should know
Gettin' crunk off in the club, we gets low, oh
Oh (oh), all my ladies to the floor
Handle it ladies back it up
Gettin' crunk up in the club, we gets low, oh
