Tossin and turnin  
Every night having tried to sleep  
It ain't the rain against my window keeping me  
Awake wait inside I begin to shake  
When I turn and look at your face

This ain't the way we started  
This how we lose the goal  
No did I ever think  
You have true colors you would draw  
But I was leaving the dream  
But I'm a fly in a spiderweb  
That I was leaving the dream

Refrain:  
I'm running  
Keep gunning  
No, I'm caught in a spiderweb  
I'm caught in a spiderweb  
Spiderweb  
One shot  
Can't get out  
No, I'm caught in a spiderweb  
I'm caught in a spiderweb  
Spiderweb  
Can someone save me?  
Can someone save me from this hell  
I gotta break free  
I gotta break free from myself

I've been rapt in my bank  
Thinking how could get out  
Screaming is useless when no one can here you shout  
It's just a matter of time  
Before I break  
Break apart mistake

This ain't the way we started  
This how we lose the goal  
No did I ever think  
You have true colors you would draw  
But I was leaving the dream

But I'm a fly in a spiderweb  
That I was leaving the dream

Refrain:

I'm running  
Keep gunning  
No, I'm caught in a spiderweb  
I'm caught in a spiderweb  
Spiderweb  
One shot  
Can't get out  
No, I'm caught in a spiderweb  
I'm caught in a spiderweb  
Spiderweb  
Can someone save me?  
Can someone save me from this hell  
I gotta break free  
I gotta break free from myself

Can't get out (x7)

Refrain: (x2)

I'm running  
Keep gunning  
No, I'm caught in a spiderweb  
I'm caught in a spiderweb  
Spiderweb  
One shot  
Can't get out  
No, I'm caught in a spiderweb  
I'm caught in a spiderweb  
Spiderweb  
Can someone save me?  
Can someone save me from this hell  
I gotta break free  
I gotta break free from myself
