I hate see you like this  
You should be with me  
If he don't make you happy  
Listen

She sits all alone  
With a face full of tears  
Coz she never thought that she would  
Go through this in a million years no

He comes and goes  
As he pleases  
It's so  
Unfair to her  
But she don't know where to turn  
Haven't you had enough  
Of all the fightin'  
Baby that's just not love  
Can't stand to see you crying  
So tell me why...

Why do you cry  
Baby you should just turn away  
If he wan't do right tell me  
Why do you cry  
Baby it's a shame  
I feel your pain  
But I don't wanna see you cry

The tears drop on your pillow  
At night  
And I don't wanna see  
I don't wanna see you  
She's... not... one... more...  
Why do you stick around  
When all this could be yours  
Haven't..

Haven't you bad enough  
Of all the fightin'  
Baby that's just not love  
Can't stand to see you crying

So tell me why...

[Refrain x2]

Ooooh

So baby tell me why...

[Refrain x2]
