(composed by Oasis)

How many special people change  
How many lives are living strange  
Where were you while we were getting high?

Slowly walking down the hall  
Faster than a cannonball  
Where were you while we were getting high?

Someday you will find me  
Caught beneath the landslide  
In a champagne supernova in the sky  
Someday you will find me  
Caught beneath the landslide  
In a champagne supernova  
A champagne supernova in the sky

Wake up the dawn and ask her why  
A dreamer dreams she never dies  
Wipe that tear away now from your eye

Slowly walking down the hall  
Faster than a cannonball  
Where were you while we were getting high?

Someday you will find me  
Caught beneath the landslide  
In a champagne supernova in the sky  
Someday you will find me  
Caught beneath the landslide  
In a champagne supernova  
A champagne supernova

'Cuz people believe that they're  
Gonna get away for the summer  
But you and I, we live and die  
The world's still spinning around  
We don't know why  
Why why why why

How many special people change  
How many lives are living strange  
Where were you while we were getting high?

Slowly walking down the hall  
Faster than a cannonball  
Where were you while we were getting high?

Someday you will find me  
Caught beneath the landslide  
In a champagne supernova in the sky  
Someday you will find me  
Caught beneath the landslide  
In a champagne supernova  
A champagne supernova

'Cuz people believe that they're  
Gonna get away for the summer  
But you and I, we live and die  
The world's still spinning around  
We don't know why  
Why why why why

How many special people change  
How many lives are living strange  
Where were you while we were getting high?

We were getting high  
We were getting high  
We were getting high  
We were getting high  
We were getting high  
We were getting high  
We were getting high  
We were getting high  
We were getting high
