of all the breath laid on me  
yours seems sincere  
of all the thoughts incomplete  
yours seems so clear

hunter do what you want to  
hunter do what you please

and though they seem confused  
inside a box filled with chemicals  
they more or less have been misused  
inside a box filled with chemicals

the bus don't like you today  
what it did, went away  
what it did, went away  
though you had a big idea  
of what it was it isn't clear  
what it was, it isn't clear
