from these lists i put the blame  
if everything from jefferson down to arch street  
remains  
along the lines tonight's the same  
I believe I'd use my feet

what we know - i go too far  
the border of the granite state  
we're a river apart  
the call breaks  
my hearing's hard

i believe i'd use my feet

i believe i'd use my feet

the roles to play may not be fair  
if 89 and 93 are the number of stairs  
know i am and it's not there  
i believe i'd use my feet  
i believe i'd use my feet
