I waited for you, Winterlong  
You seem to be where I belong  
It's all illusion anyway

If things should ever turn out wrong  
And all the love we have is gone  
It won't be easy on that day

Waiting to follow  
Through the dreamlight of your way  
Is not so easy for me now

Half the time has passed away  
Things we thought of yesterday  
Come back now, come back now

Waiting to follow  
Through the dreamlight of your way  
Is not so easy for me now

Half the time has passed away  
Things we thought of yesterday  
Come back now, come back now

I waited for you Winterlong  
You seem to be where I belong
