Who could imagine a melody  
True enough to tell of Your mercy?  
Who could imagine a harmony  
Sweet enough to tell of Your love?  
I see the heavens proclaiming You day after day,  
And I know in my heart that there must be a way

To sing a greater song,  
A greater song to You on the earth.  
To sing a greater song,  
A greater song to You on the earth.

Who could imagine a symphony,  
Grand enough to tell of Your glory?  
Our highest praise but a feeble breath  
A whisper of Your thunderous worth.

I see the heavens proclaiming You day after day,  
And I know in my heart that there must be a way

To sing a greater song,  
A greater song to You on the earth.  
To sing a greater song,  
A greater song to You on the earth.

Hallelujah, we want to lift You higher,  
Hallelujah, we want to lift You higher.
