Hear the sound of the free
Hear the cry of liberty
We will rejoice in you
We will rejoice
As we sing of all you've done
And the wonders of your love
We will rejoice in you
We will rejoice

Rising up all around the earth
Is a heavenly song of your endless worth
Growing louder and louder and louder

This is the anthem of the free
This is the song of the redeemed
Jesus, your praise is rising higher and higher and
higher
We'll sing it loud we'll sing it strong
We'll sing it all around the world
Jesus, your praise will last forever and ever and ever

Hear the sound of the free
Hear the cry of liberty
We will rejoice in you
We will rejoice
As we sing of all you've done
And the wonders of your love
We will rejoice in you
We will rejoice

Rising up all around the earth
Is a heavenly song of your endless worth
Growing louder and louder and louder

This is the anthem of the free
This is the song of the redeemed
Jesus, your praise is rising higher and higher and
higher
We'll sing it loud we'll sing it strong
We'll sing it all around the world
Jesus, your praise will last forever and ever and ever

Then one day your heavenly song
Will drown all music but it's own
Then one day your heavenly song
Will drown all music but it's own
Then one day your heavenly song
Will drown all music but it's own
Then one day your heavenly song
Will drown all music but it's own
