"Come Let Us Return To The Lord"

Come, come let us return to the Lord
Come, come let us return to the Lord
In brokenness of heart, we consecrate our lives singing
Come, come let us return to the Lord

With a rending of the heart
With the bowing of a knee
Oh we are returning
With a prayer and with a fast
With a song in minor key
Lord we are repenting

Even now, even now
With all of our hearts
You may turn, You may leave a blessing behind

In Your mercy You will come
In Your mercy You will come
Surely as the rising sun
Surely as the rising sun
