This is a gifted response
Father we cannot come to You by our own merit
We will come in the name of Your son
As He glorifies You
And in the power of Your spirit
2x

We have come to something so mysterious
Too deep for minds to comprehend
Through the open door
Where the angels sing
And the host of heaven are antheming...

And we'll sing the glory of Your name
Celebrate the glories of Your grace
We will worship You, We will worship You
And we'll make Your praise so glorious
Singing songs of everlasting praise
We will worship You, we will worship You
