"Holy Moment"

As we come today
We remind ourselves of what we do
That these songs are not just songs
But signs of love for you
This is a holy moment now
Something of heaven touches earth
Voices of angels all resound
We join their song
Come come come
Let us worship God
With our hands held high
And our hearts bowed down
We will run run run
Through your gates o God
With a shout of love with a shout of love
Lord with confidence
We come before your throne of grace
Not that we deserve to come
But you have paid the way
You are the holy king of all
Heaven and earth are in your hands
All of the angels sing your song
We join them now
Chorus
