I lift you high and bow down low
How high can You be?
How low can I go?
I lift You high and bow down low
How high can You be?
How low can I go?
You must increase I must decrease, Lord
I'll bow down and You will be adored

I lift you high and bow down low
How high can You be?
How low can I go?
I lift You high and bow down low
How high can You be?
How low can I go?
You must increase I must decrease, Lord
I'll bow down and You will be adored
