Let me be brief, me be plain.
I'll only speak, if you're out of range.
I'm sorry Stephen
I've been an awful friend.

Let me explain,
I'm sure it seems I've picked sides,
You may believe.
I'm sorry Stephen,
Because I haven't called.

The kids want to tell you,
They miss you more than you know.

Neutral may be the coward's way
I'll play the middle, so they say
I'm sorry Stephen,
You've been good to me.

I hate to see it, when you fight.
I don't think you're wrong,
Or he's right.
I'm sorry Stephen,
That excuse is kinda lame.

We all want to tell you,
We wish you were still around.

I'm sorry Stephen,
I've been awful friend.
I'm sorry Stephen,
I've been awful friend.
I'm sorry Stephen,
I've been an awful friend.
