Go ahead and do it,
I'm over a barrel.
And time equals money,
And I've got nothin' but time.

And suddenly it hits me,
With the force of an arrow.
I'm still in the tunnel,
I'm still far from the light.

I'll say this,
You've earned all of your fears,
But it ends here.
Yes it ends here, dear.

Remember the skyline,
View of the city,
We had a bird's eye,
A beautiful view.

I'm half in the bottle,
When suddenly it hits me,
Every inch of this city
Reminds me of you.

I'll say this,
I'm holding back the tears,
But it ends here.
Yes it ends here, dear.

It makes a good story,
Stakes and redemption.
For giving me more
Than I care to admit

These are my actions,
Though I try to forget them.
Though I'm forgiven,
I will never forget.

I'll say this,
You've earned all of your fears,

But it ends here.
Yes it ends here, dear.

So I'll say this,
I've been holdin' back the tears,
But it ends here.
Yes it ends here, dear.
