Make my life a prayer to You
I want to do what You want me to
No empty words, no white lies
No token prayers, no compromise

I want to shine the light You gave
Through Your Son You sent to save us
From ourselves and our despair
It comforts me to know You're really there

Well, I want to thank You now for being patient with me
Oh, it's so hard to see when my eyes are on me
I guess I'll have to trust and just believe what You say
Oh, You're coming again, coming to take me away

I want to die and let You give Your life to me that I
might live
And share the hope You gave the me
The love that set me free
I want to tell the world out there
You're not something or fairy tale
That I've made up inside my head
You're God the Son, You've risen from the dead

I want to die and let You give Your life to me that I
might live
And share the hope You gave to me
I want to share the love that set me free
